

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

By Order of her Majesty's Master of the Horse, the following Queen's Plate Articles are substituted for those hitherto in force.

Jan. 25, 1847.

QUEEN'S PLATE ARTICLES.

[It is her Majesty's Command, that these following Rules be observed by the Owners and Riders of all such Horses, Mares, and Geldings, as shall run for her MAJESTY'S PLATES at Newmarket and elsewhere.]

- I. Every horse, mare, or gelding, that runneth for any of the said Plates, shall carry the weight and run the distance appointed in the Schedule hereunto annexed.
- II. Every person that putteth in a horse, mare, or gelding, for any of the said Plates, shall enter the same with the name of the owner, and the age, name, pedigree, or sufficient description of the horse, according to the Rule of the Jockey Club regarding nominations, at the time and place appointed by the Steward or Stewards of the Races at which such Plate is to be run for.
- III. Horses that run for any of her Majesty's Plates shall start at the time appointed by the Steward or Stewards of the Races at which such Plate is run for.
- IV. Each horse's, mare's, or gelding's place as he or they come by the ending-post shall be determined by the Judge appointed by the Steward or Stewards of the Races at the place where the said Plate is run for.
- V. Every rider shall immediately after each heat be run, be obliged to come to the usual place of weighing, with his horse, mare, or gelding, then and there to alight and not before, and there to weigh to the satisfaction of the person appointed for that purpose.
- VI. And in case of neglect or refusal thereof, such owners and riders shall be immediately declared incapable of running or riding any more for this or any of her Majesty's Plates hereafter.
- VII. Every horse, mare, or gelding, that runneth on the wrong side of the post or flags, or is distanced in any of the heats, shall have no share of the said Plates, nor be suffered to run any more.

VIII. When any of her Majesty's Plates are appointed to be run in heats, the horse, mare, or gelding that winneth any two heats winneth the Plate, but if three several horses, mares, or geldings win each of them a heat, then those three and only they to run a fourth heat, and the horse, mare, or gelding that winneth the fourth heat shall have the Plate.

IX. When the age or qualification of a horse entered for any of her Majesty's Plates shall be objected to, either before or after running, the Stewards of the Races at which such Plate is run for shall have the power to order an examination of the horse's mouth by competent persons, and to call for all such evidence as they may require, and their decision shall be final unless they shall think fit to refer the matter to the Stewards of the Jockey Club for the time being, in which case the decision of the said Stewards of the Jockey Club shall be final. A Certificate shall not be granted to any horse objected to until the question of his qualification shall be decided in the manner herein prescribed.

X. And in case any difference shall arise in running, or respecting any matters not hereinbefore provided for, or as to the interpretation of these her Majesty's orders, the same shall be determined by the Master of the Horse, or by such person or persons as he shall appoint.

R U L E S
CONCERNING
HORSE RACING IN GENERAL
WITH A DESCRIPTION OF
A POST AND HANDICAP MATCH.

At a meeting of the Members of the Jockey Club, held 25th April, 1833—It was resolved that from and after the end of the year 1833, horses should be considered at Newmarket as taking their ages from the first of January, instead of the 1st of May.

With respect to other places, they will continue to be considered as taking their ages from the 1st of May, until the Stewards of those races shall order otherwise.

Four Inches are a Hand.
Fourteen Pounds are a Stone.

1. CATCH WEIGHTS are, each party to appoint any person to ride without weighing.

2. Give-and-take Plates are, fourteen hands to carry stated weights, according to age, all above, or under, to carry extra, or be allowed the proportion of seven pounds to an inch.

3. A Post Match is to insert the age of the horses in the article, and to run any horse of that age, without declaring what horse, till he come to the post to start.

4. A Handicap Match is A, B, and C, to put an equal sum each into a hat ; C, who is the handicapper, makes a match for A and B, who, when they have perused it, put their hands into their pockets, and draw them out closed ; then they open them together, and if both have money in their hands, the match is confirmed ; if neither have money, it is no match. In both cases the handicapper draws all the money out of the hat ; but if one has money in his hand, and the other none, then it is no match : and he that has money in his hand is entitled to the deposit in the hat.

5. Horses are not entitled to start without producing a proper certificate of their age, if required, at the time appointed in the articles, except where aged horses are included, and in that case a junior horse may enter without a certificate as to age, provided he carry the same weight as the aged.

6. No person shall start more than one horse of which he is the owner, either wholly or in part, and either in his own name or that of any other person, for any race for which heats are run.

7. The horse that has his head at the ending-post first wins the heat.

8. For the best of the plate, where three heats are run, the horse is second that wins one heat.

9. For the best of the heats, the horse is second that beats the other horses twice out of three times, though he did not win a heat.

10. Where a plate is won by two heats, the preference of the horses is determined by the places they get in the second heat.

11. Where a plate or subscription is given to the winner of the best of three heats, a horse, to win the prize, must be the actual winner of two heats, even though no horse appear against him for both or either of the heats.

12. When three horses have each won a heat, they only must start for a fourth, and the preference amongst them will be determined by it, there being before no difference amongst them.

13. In running of heats, if it cannot be decided which horse is first, the heat goes for nothing, and they may all start again, except it be between two horses that had each won a heat.

14. If a rider fall from his horse, and the horse be rode in by a person that is sufficient weight, he shall take his place the same as if his rider had not fallen, provided he go back to the place where the rider fell.

15. Jockies must ride their horses to the usual place for weighing the riders, and he that dismounts before, or wants weight, is distanced; unless he be disabled by an accident which should render him incapable of riding back, in which case he may be led or carried to the scale.

16. Horses' plates or shoes not allowed in the weight.

17. Horses running on the wrong side of a post, and not turning back, are distanced.

18. Horses drawn before the plate is won are distanced.

19. Horses are distanced if their riders cross or jostle.

20. All complaints of foul riding must be made before or at the time the jockey is weighed.

21. No distance in a fourth heat.

22. A confirmed bet cannot be off but by mutual consent, except in the cases hereinafter mentioned.

23. Either of the betters may demand stakes to be made, and on refusal declare the bet to be void.

24. If a better be absent on the day of running, a public declaration of the bet may be made on the Course, and a demand whether any person will make stakes for the absent party, and if no person consent to do so, the bet may be declared void.

25. Bets agreed to be paid or received in London, or any other particular place, cannot be declared off on the Course.

26. If a match or sweepstakes be made for any particular day in any race-week, and the parties agree to change the day to any other in the same week, all bets must stand : but if the parties agree to run the race in a different week, all bets made before the alteration shall be void.

27. The person who lays the odds has a right to choose a horse or the field : when a person has chosen a horse, the field is what starts against him, but there is no field without one horse starts against him.

28. Bets and stakes made in guineas are paid in pounds.

29. If odds are laid without mentioning the horse before the race is over, the bet must be determined by the state of the odds at the time of making it.

30. Bets made in running are not determined till the plate is won, if that heat be not mentioned at the time of running.

31. A bet made after the heat is over, if the horse betted on does not start, is void.

32. Bets determined though the horse does not start, when the words "absolutely run or pay," or "play or pay," are made use of in betting.

33. Where horses run a dead heat for a sweepstakes or plate, and the parties agree to divide the stakes, such horses shall be liable to carry extra weight as winners : and all bets between such horses or between either of them and the field, must be settled by the money betted being put together and divided between the parties, in the same proportion as the stakes shall have been divided. If a bet be made on one of the horses that ran the dead heat against a horse that was beaten in the race, he who backed the horse that ran the dead heat wins half his bet. If the dead heat be the first event of a double bet, the bet shall be void.

34. Bets made on horses winning any number of races within the year shall be understood, however the expression may be varied, as meaning the year of our Lord.

35. Money given to have a bet laid shall not be returned, though the race be not run.

36. Matches and bets are void on the decease of either party before the match or bet is determined.

37. A horse walking over or receiving forfeit, except for a match, shall be deemed a winner.

38. An untried stallion or mare is one whose produce has never run in public.

39. A maiden horse or mare is one that has never won.

40. It being an established rule that no person can *enter and run*, either in his own name or in the name of any other person, two horses of which he is wholly or in part the owner, for *any plate* : and doubts having arisen as to the true definition of the word "*plate*," —the Stewards of the Jockey Club have decided that where a sum of money is given to be run for, without any stake being made by the owners of the horses (the entrance-money, whether given to the owner of the second horse, or applied to the Racing-fund, not being considered a stake) such prize shall be construed to be a *plate*. But where a stake is deposited by the owners of the horses, which is to go to the winner ; and an additional sum of money, or a cup, piece of plate, or other reward, is offered, as a prize to the winner, even though such addition shall be denominated a plate by the donor ;— such race shall be deemed and taken to be a sweepstakes, and not a plate.

RULES AND ORDERS

OF THE

JOCKEY CLUB.

[NEWMARKET, 1st Nov. 1831.—At a meeting of the Stewards and Members of the Jockey Club, it was stated that much uncertainty had prevailed with regard to the operation of the rules and orders of the Jockey Club, and therefore it was thought proper to declare that they apply to all races run at, and engagements made for, Newmarket ONLY, the Jockey Club having no authority to extend their rules and orders to any other place, although they have, for the sake of greater uniformity and certainty, recommended the adoption of the same rules to the Stewards of other races.—And that the Stewards of the Jockey Club will not receive any references of disputes from any places except those at which the rules and regulations of Newmarket shall have been declared to be in force in the printed articles of those races.]

1. The former Rules and Orders of the Jockey Club were repealed from the 31st December, 1828, and the following Rules and Orders, with such additions and alterations as may from time to time be made therein, are substituted, and to be acted upon.

Respecting the Stewards.

2. The three Members of the Jockey Club now acting as Stewards shall be continued in their office till the next annual meeting of the Jockey Club, when the senior Steward (the one who has been the longest in office) shall quit his situation immediately after settling the accounts at that meeting, and shall then name a Member of the Jockey Club to succeed him, subject to the approbation of the remaining Stewards and of the Members of the Jockey Club then present; and at every subsequent annual meeting the then senior Steward shall in like manner retire and name his successor.

3. If any difference of opinion shall arise on such nomination, it shall be decided by a majority of the members present; which majority must include one (at least) of the continuing Stewards; if both the continuing Stewards are in the minority, then there shall be a fresh nomination.

4. If any of the Stewards shall die or resign between the periods of the annual meetings, the surviving or continuing Stewards may appoint a Member of the Club to succeed the deceased or declining Steward, and to stand in his place in point of seniority; but such nomination shall be notified to the Club, at their next annual, or at any special meeting to be called for the purpose, and shall then be subject to the like approbation, as in the case of a senior Steward retiring at the expiration of his Stewardship.

When only one Steward is present, and neither of the absent Stewards shall have appointed a substitute, the Member of the Jockey Club present who has last served the office shall act *ex officio*.

5. All disputes relating to racing at Newmarket, if any of the parties interested should request the interference of the Stewards, shall be determined by the three Stewards and two referees (who shall be Members of the Club) one to be chosen by each of the parties concerned, if either of them shall desire to have referees. If only two Stewards be present, they shall fix upon a third person, being a Member of the Club, in lieu of the absent Steward; but the Stewards, if they think fit, may call in any other Members of the Jockey Club to their assistance, or may refer the case to a general meeting of the Jockey Club, if the importance or difficulty of the matter in dispute shall appear to them to require it.

6. If any dispute arising elsewhere than at Newmarket shall be referred to the Stewards of the Jockey Club, and they shall think fit to take it into consideration, the matter must relate to Horse-racing, the facts or points of difference be reduced into writing, and be sent by or with the sanction of the Stewards where the matter in question occurred, and the parties must agree in writing to abide by the decision of the Stewards of the Jockey Club.

7. The three Stewards, or any two of them, shall have full power to make such regulations as they may think proper in regard to the course and exercise ground.

8. The three Stewards shall have the power of appointing such person or persons as they may choose, to keep the Coffee-room, the Match-book, receive the stakes, and collect the entrance-money and all other funds belonging to the Jockey Club; and the Stewards shall be responsible to the Jockey Club for all the money collected as belonging to the Club. They shall also have the power to appoint the Judge of the Races, Clerk of the Course, or any other servants of the Club.

9. The Stewards shall fix the hour of starting for each race by nine o'clock in the evening preceding the day of running, and notice of the time of starting is to be fixed up in the Coffee-room immediately afterwards.

10. The Stewards shall produce an account of the funds and disbursements of the Jockey Club at the annual meeting in each year.

Respecting the Admission of New Members.

For the Jockey Club.

11. Ballots for the Jockey Club shall take place in the Craven, First Spring, Second October, and Houghton Meetings. The candidate to be proposed in a meeting previous to the ballot, or in case the ballot takes place in the Craven Meeting, that notice of his being a candidate shall be stated in the Sheet Calendar published next preceding that meeting, and also put up in the Coffee-room on the Monday in that meeting, and notice to be given in writing, and put up in the Coffee-room on what day the ballot will take place, at least one day before the time of balloting. Nine Members (at the least) shall ballot, and two black balls shall exclude.

For the New Rooms.

12. The ballot for members of the New Rooms may be in any of the seven established meetings at Newmarket. Each candidate must be proposed by a Member of the Jockey Club, and his Christian and Surname and usual place of abode, with the name of the member proposing him, put up in the Dining and Card-rooms, at Newmarket (or in such other place as the Stewards shall appoint) on the day preceding the ballot. The ballot shall be in the morning, between the hours of eleven and one; or in the afternoon, between the hours of four and six. Members of the Jockey Club only shall be allowed to ballot. Nine members (at least) shall ballot, and two black balls shall exclude. If eighteen members ballot, there must be three black balls to exclude.

13. A member of any of the Clubs in St James's street, known by the names of White's, Brooker's, and Boodle's, may be admitted a member of the New Rooms without ballot, on paying the same sum for his admission, and the same subscription, as are required of members chosen by ballot.

For the Coffee-room.

14. The ballot for members of the Coffee-room shall be in the Coffee-room at Newmarket (or at such other place as the Stewards shall appoint) on any day in the present seven established Meetings,

between the hours of eleven and one o'clock in the morning. Each candidate must be proposed by a member of the Jockey Club, and his Christian and Surname and usual place of abode, with the name of the member proposing him, be put up in the Coffee-room the day before the ballot. Members of the Jockey Club only can ballot. Twelve members (at least) must ballot, and two black balls shall exclude.

15. Any member of the New Rooms may become a member of the Coffee-room, on signifying his wish to be so to any of the Stewards, or to the keeper of the Coffee-room, and paying for his admission and subscription, as members chosen by ballot are required to do.

16. A person, though chosen, shall not be considered as a member of any of these Clubs until he shall have paid the usual sums for the admission and subscription of a new member. And the name of every member whose subscription shall be in arrear for one year, shall be placed over the chimney-piece in the New Rooms and in the Coffee-room at Newmarket, in the Craven Meeting of each year. And if such arrear be not paid by the end of the following Second Spring Meeting, he shall cease to be a member, and shall not be again admitted as a member until his arrears be paid, and until he be again chosen by ballot.

Any member of White's, Brookes's, and Boodle's (not being a member of the New Rooms) may be admitted to the New Rooms and Coffee-room for any one meeting, without any other charge than the payment of one half-year's subscription to each. In the event of such person attending any other meeting in the course of the same year, he is to be considered as a member of the New Rooms, and liable to all the usual charges.

The subscription to the New Rooms and Coffee-room, and all other charges, except the subscription to the Jockey Club, are paid half-yearly; the July Meeting to be included in either half-year.

If any foreigner should be proposed at any time as a candidate for the New Rooms or Coffee-room, an immediate ballot may take place for such election, and all foreigners who are elected are liable only to the household expenses.

As to Nominations.

17. In all nominations and entrances for stakes, subscriptions, and plates of horses, &c. which have not started before the time of naming or entering, the sire, dam, and grandam of the horse, &c. named or entered must be mentioned, if known, unless the dam has a name which is to be found in the Stud-Book or Racing Calendar, in which case the name of the sire and dam will be sufficient. If the horse, &c. named or entered be own brother or sister to any

horse, &c. having a name in the Stud-Book or Racing Calendar, it will be sufficient to name it as such. If the dam or grandam be sister (but which sister must be specified, if there be more than one), or dam or grandam of any horse, &c. having a name in the Stud-Book or Racing Calendar, it will be sufficient to mention her as such. If the dam or grandam is not known, the sire of the horse, &c. must be mentioned, together with such other particulars as will be sufficient to identify the animal. If a horse has once appeared in the Racing Calendar by a name and his pedigree, it will be sufficient afterwards to mention him by his name only, even though he has never started. If the dam was covered by more than one stallion, the names of all of them must be mentioned.

18. If any horse, &c. shall be named or entered without being identified as before directed, he shall not be allowed to start in the race, but his owner shall be liable to pay the forfeit, or, if a play or pay race, the whole stake. All bets on a horse so disqualified for starting shall be void.

For other causes of disqualification, see rules under the head of stakes and bets.

In case any objection to the qualification of a horse on the ground of incorrect pedigree or nomination be made before the race is run, the Stewards shall have the power of ordering that the settlement on such race shall be suspended until the objection shall have been investigated; but if any such objection be made after the race, it shall not affect the bets, which must go with the horse that comes in first, provided that he is of the right age, and not otherwise disqualified by the laws of racing.

19. No person who has once subscribed to a stake shall be allowed to withdraw his name, and no nomination shall be altered in any respect after the time of closing without the consent of all the parties in the race being first obtained.

20. When a person takes a nomination for a stake, in which the forfeit is to be declared by a particular time, and does not declare forfeit by the time fixed in the article, he shall thenceforth be considered to have taken the engagement on himself, and his name shall be substituted for that of the original subscriber.

21. When any person enters a horse in a fictitious name, the person so entering must be held responsible for the stake or forfeit, exactly as if such horse had been entered in his own name; and in the event of the forfeit not being paid at the proper time, the person making the nomination shall have his name posted and advertised in the usual manner, and be liable to all the penalties of a defaulter.

22. When the day fixed for closing or naming for any stake, or for declaring forfeit or produce, shall fall on Sunday, subscriptions

nominations, or declarations for such stake may be received on the following day, provided that there is an interval of one clear day between the day of closing, naming, or declaring, and the day of running.

23. In every sweepstakes in which there shall be any allowance of weight to the produce of untried horses or mares, such allowance shall be claimed on the article by each subscriber before the expiration of the time of naming; and if not so claimed no allowance shall be made, even though the horse or mare should prove to have been untried at the time of naming.

Respecting Stakes, Forfeits, and Bets.

24. All stakes for matches, subscriptions, and sweepstakes shall be made before the hour of starting for the first race of the day, in cash, bank-bills, or bankers' notes, payable on demand, and be paid into the hands of the person appointed by the Stewards to receive the same: and in default thereof by any person, he shall pay the whole stake as a loser, whether his horse came in first or not, unless such person shall have previously obtained the consent of the party or parties with whom he is engaged, to his not staking. But this rule is not to extend to bets, which are to be paid and received as if no such omission had happened.

When any person has more than one nomination in a stake, he shall not be allowed to start any horse for it unless the forfeits be paid for every horse which does not start, belonging to him, or standing in his name, or in the same name as the horse which runs, as well as the stakes for those which do.

25. A day-book shall be kept by the person appointed by the Stewards to receive the stakes, in which shall be entered an account of all matches, subscriptions, and sweepstakes, to be run for; and as the different stakes are made, they shall be entered therein as paid.

All forfeits or money paid on compromising any match or sweepstakes shall bona fide be entered in the Day-book, in order that all betters may ascertain in what proportion they are to pay and receive.

26. Five pounds per cent. shall be allowed on all forfeits under 100*l.* declared to the Keeper of the Match-book, at or before ten o'clock the evening before running; and if the forfeit amount to 100*l.* and upwards, 10*l.* per cent. shall be allowed. All forfeits shall be paid before twelve o'clock at night of the day fixed for the race, and on those forfeits which shall not be so paid the deduction for the timely declaration of such forfeits shall not be allowed.

No horse shall be considered as struck out of his engagement,

unless the owner, or some person authorized by him, shall give notice to the Keeper of the Match-book, or to his Clerk, or to one of the Stewards present.

27. No person shall start a horse for any race, either in his own name, or in that of any other person, unless both the owner and name of such horse shall have paid all former stakes and forfeits to the Keeper of the Match-book before the time fixed for starting for the first race of each day on which he intends to start his horse. And this rule shall extend to forfeits due elsewhere than at Newmarket, provided a notice of such forfeits being due shall have been delivered to the Keeper of the Match-book by ten o'clock in the evening preceding the day of running.

No horse shall start for any race unless all former stakes and forfeits due for that horse shall be paid before the time fixed for starting for the first race of the day on which such horse is intended to run, provided that an objection to such horse starting shall have been made by ten o'clock in the evening preceding the day of running, to the Keeper of the Match-book.

28. A list of all stakes and forfeits due at Newmarket, or elsewhere, shall be exhibited in the Coffee-room at Newmarket, and a similar list at Messrs Weatherby's office, in London.

The Keeper of the Match-book shall enter upon this list all stakes and forfeits at Newmarket that are left unpaid at the expiration of the week following that in which the same shall have been incurred.

The Stewards or Managers of races elsewhere are recommended to direct the person appointed to receive stakes to send to Messrs Weatherby a list of unpaid forfeits, as soon after the races as conveniently may be, in order that the same may be placed upon the Forfeit List, and if the stake-holder shall omit to make such last mentioned return within a reasonable time, it may be made by the respective winners of the races for which the forfeits are due. These returns in all cases to be made in writing and signed by the parties making them.

29. In case any forfeit shall remain unpaid three calendar months from the time at which it has been put first upon the list, a notice of such forfeit being due, with the name of the subscriber to the stake, and the name or description of the horse, with the name, or sufficient description of the stake, and the amount of the forfeit, shall be advertised in every succeeding sheet Racing Calendar, until Messrs Weatherby shall receive notice in writing from the stake-holder at the place where the forfeit was incurred, or from the winner of the race, that the same is paid, or until it shall be paid at Messrs Weatherby's office.

No person whose name shall appear in such advertised list shall

be entitled to enter or name a horse for any plate, sweepstakes, or subscription, either in his own name or in the name of any other person, unless he shall pay up all the forfeits, in respect of which his name appears in the list, before the expiration of the time of naming for such stake, &c. and no horse which appears on such list shall be qualified to be entered for any race whatever, unless the forfeits mentioned in the said list as due for such horse shall be paid before the expiration of the time of naming or entering for such race; and no horse, whose name shall appear in such list, shall be qualified to start for any race, unless the aforesaid forfeits shall be paid before the time fixed for starting for the first race of the day on which such horse is intended to run.

30. And in order to prevent persons, who are defaulters, from evading these laws, and continuing to engage horses by the use of fictitious names, the Stewards of the Jockey Club shall have the power of calling upon a nominator to produce satisfactory testimony that the horse named is not the property, either wholly or in part, of any person whose name appears in the advertised list of defaulters; and if the nominator shall fail to do so, the Stewards may cause the nomination to be erased.

31. All persons whose names appear on the list of defaulters may be warned off the Course, at the discretion of the Stewards, and prohibited from training or exercising horses on any part of the ground in the occupation of the Jockey Club.

32. When a horse is sold with his engagements, or any part of them, and a notification of such sale is delivered to the Keeper of the Match-book, the seller shall not have the power, after the delivery of such notification, of striking the horse out of the engagements with which he is sold; but as the original subscriber remains liable to the respective winners for the amount of the forfeits in each of these engagements, he may if compelled to pay them by the purchaser's default, place the forfeit on the Forfeit List in the usual manner, as due from the purchaser to himself; and until this forfeit is repaid, both the purchaser and the horse shall remain under the same disabilities as if the purchaser had been the original subscriber. In all cases of sale by private treaty the written acknowledgment of both parties that the horse was sold with the engagement shall be necessary to entitle either buyer or seller to the benefit of this rule.

33. When a person has a horse engaged in the name of another person, and is entitled, by purchase or otherwise, to start the horse for such engagement, but, in consequence of the namer being on the list of defaulters, should be prevented from starting his horse without previously paying up a forfeit to which he was not otherwise liable, he may, if he pay this forfeit, start his horse, leaving

the forfeit on the list, and substituting his own name for that of the person to whom it was previously due; and if he should be compelled by the Laws of Racing to pay any forfeit, which had not yet been put upon the List, he may, after paying the amount of the forfeit, have it put upon the Forfeit List in the usual manner, as due to himself.

34. If any bet shall be made from signal or indication, after the race has been determined, such bet shall be considered as fraudulent and void, and shall not be paid. And if any servant belonging to a member of this society shall be found to have betted from any such signal, or shall be concerned in making any such signal, he shall be dismissed from his service, and no further employed by any member of this society.

35. All stakes and bets, whether expressed to be in guineas or pounds, shall be paid in pounds sterling.

36. All double bets shall be considered as play or pay bets.

37. All bets depending between any two horses shall be void if those horses become the property of the same person, or of his avowed confederate, subsequently to the bets being made.

38. All bets between particular horses shall be void if neither of them happen to be the winner, unless agreed by the parties to the contrary.

39. If a match or sweepstakes be made for any particular day in any race-week, and the parties agree to change the day to any other in the same week, all bets must stand; but if the parties agree to run the race in a different week, all bets made before the alteration shall be void.

40. When the riders of any horses brought out to run for any race are called upon by the person appointed to start them, to take their places for that purpose, the owner of every horse which comes up to the post shall be considered as liable to pay his whole stake, and all bets respecting such horses shall be considered as play or pay bets.

41. When any better has been adjudged to be a defaulter, by the Stewards of the Jockey Club, notice shall be given to him that he will not be permitted any longer to come into the Coffee-room yard at Newmarket, nor upon the Race Course there, until it shall have been certified to the Keeper of the Match-book, by his several creditors, that their claims have been satisfied; and if after such notice he should disregard the prohibition, it shall be enforced against him by the usual legal process; at the expiration of the Spring and October Meetings, the names of such defaulters shall be communicated to Messrs Tattersall, in order that they may also be excluded from the Betting-room in their yard.

The Stewards of the Jockey Club will not entertain any

claim emanating from a person who has received the above-named notice, until the claims upon him shall be certified to have been discharged.

Trials.

42. No person shall try the horse, &c. of any other person than his declared confederate, without giving notice of such trial by inscribing the name or proper description of the horse, &c. tried, and the name of his owner, in the Trial-book, kept at the Coffee-room, Newmarket, within one hour after the trial has taken place, or by nine o'clock in the morning, in case the trial shall have taken place at an earlier hour; and the hour of running such trial, and also the hour of making the entry, shall be noted in the Trial-book. And in case any trial shall not be entered, the groom having the care of the horse running with the trial horse, and being present at the trial, or if not present, then the owner of any horse running with such trial horse shall forfeit and pay to the Stewards of the Jockey Club the penalty or sum of 10*l*. for every such offence; but the Stewards shall have the power to mitigate such penalty to not less than 5*l*. in case it shall fall upon any groom.

43. Every bet made upon or against any horse running in a trial, between the time of such trial and the entering it in the Trial-book, whether it be entered within the time prescribed or not, shall be void.

44. Every engagement made with any horse, &c. running in a trial between the time of such trial and the entering of it in the Trial-book, whether it be entered within the time prescribed or not, shall not be run, but the owner of such tried horse shall be considered as having declared forfeit, and be liable to pay the forfeit accordingly, unless his opponents, or any of them, shall desire to hold him to his engagement. And in case any horse so tried shall have started for and won any race made subsequently to the trial, and before the entry of it in the Trial-book, his owner shall not be entitled to the stake so won; and in case he shall have actually received it, he shall pay it back into the hands of the stake-holder, who shall pay it over to the owner of the second horse, or, in case of a match, shall pay it over to the owner of the beaten horse; but if such horse shall have lost such race, his owner shall not be entitled to claim or to be repaid his stake or deposit for such race; and in those cases such disqualification shall attach to the horse, without regard to any change of the property in him; and if, with respect to the disqualification, there shall be any difficulty in ascertaining the horse or horses tried, the owner of the horse or horses so tried shall be bound, on the request of the Stewards, to declare to them which of his horses ran in such trial, and in case he shall decline so to do, the Stewards shall have the power to fix

the disqualification upon any one or more of the horses of such owner at their option.

45. No notice of trial shall be required, where the trial is run at a greater distance than twenty-five miles from Newmarket.

46. The day, with respect to the engaging of the ground for trials, shall be divided into three periods; that is, previously to eight o'clock in the morning, from one to half-past three in the afternoon, and after half-past three in the afternoon, from the first day of the Craven Meeting to the end of the Houghton Meeting; during the rest of the year the first period extends to nine o'clock in the morning. No trainer shall have the ground for trying horses more than one morning and one portion of the afternoon in the same week, and trainers having less than ten horses shall be allowed to have the ground only for one period of time.

47. Notice for engaging the ground shall, at least one day before the day it is used, be entered in a book to be kept for that purpose at the Coffee-room in Newmarket. And no notice or warning shall be deemed sufficient unless given as before directed.

48. If any person shall be detected in watching a trial, or shall be proved to have employed any person to watch a trial, he shall be served with notice to keep off the heath; and if in the employment of any member of the Club, or of any groom or rider employed by any member of the Club, he shall be dismissed from his service, and not again employed.

The Cup and Whip.

49. The Cup may be challenged for on the Monday or Tuesday in the first Spring Meeting in each year; to be run for over the B. C. on Tuesday in the First October Meeting following, by horses, &c. the property of members of the Jockey Club; four years old carrying 8st. 7lb. five years old, 9st. 2lb. six years old and aged, 9st. 6lb. Each person, at the time of challenging, is to subscribe his name to a paper to be hung up in the Coffee-room at Newmarket, and deliver to the Keeper of the Match-book the name or description of the horse, &c. sealed up, which shall be kept till six o'clock on the Saturday evening of that week; and if not accepted, or only one challenger, to be returned unopened; but if accepted, or if more than one challenger, to be then opened and declared a match or sweepstakes for 200 sov. each, play or pay. If the challenge be not accepted, the Cup to be delivered to the Keeper of the Match-book, in the Meeting ensuing the challenge, for the person who may become entitled to the same.

50. The Whip may be challenged for on the Tuesday or Wednesday in the Second Spring, or on Monday or Tuesday in the Second

October Meeting in each year, and the acceptance must be signified, or the Whip resigned, before the end of the same Meeting. If challenged for and accepted in the Spring, to be run for on the Tuesday in the second October Meeting following; and if in the October, on the Thursday in the Second Spring Meeting following, B. C., weight 10st. and to stake 200 sov. each, play or pay.

The £1 per cent. Plates.

51. The stake-holder shall deduct 1l. per cent. upon all sums won at Newmarket in sweepstakes or matches, where the clear sum to be received by the winner, over and above his own stake, shall amount to 100l. or more (unless the winner shall object to allowing such deduction to be made), and the money so raised shall be disposed of in the following manner; viz.

Two handicap plates of 100l. each, for four, five, six years old, and aged horses, shall be annually given to be run for; one in the Second October Meeting, A. F., and the other in the Houghton Meeting from the D. I. And if any horse-keeper shall object to contribute to the above fund, he will not be allowed to start a horse for either of those plates.

The Stake-holder at Newmarket.

52. The stake-holder, at Newmarket, shall be allowed to retain, out of the stakes in his hands, the following fees, for his trouble; viz.

For every match, one pound.

For every plate, one pound.

For every subscription or sweepstakes, where the whole stake exceeds 100l. and does not amount to 1000l., two pounds.

For every sweepstakes, where the whole stake amounts to 1000l. or upwards, five pounds.

Relating to other Matters not before specified.

53. If for any plate, sweepstakes, or subscription, the first two horses shall come in so near together that the Judge shall not be able to decide which won, those two horses shall run for such prize over again, half an hour after the last race on the same day; the other horses which started shall be deemed losers, and be entitled to their respective places, as if the race had been finally determined the first time.

54. Every person who shall ride for a race at Newmarket shall be weighed immediately after the same, and shall be allowed 2lb. above the weight specified for his horse to carry, and no more, unless the weight he actually rode be declared as the weight he in-

tended to ride; and if any horse shall carry more than 2lb. above his weight without a declaration having been made by the jockey or the owner of the horse, or by his servant, to the Steward or Keeper of the Match-book at least one hour before the time fixed for the first race of the day, then such horse shall not be considered the winner of the race, even though he should come in first, but shall be placed as the last horse in the race, and his owner shall pay the stake as for a beaten horse; and whether the horse comes in first or not the jockey shall be fined 5*l*. for his neglect, and shall not be allowed to ride in a public race at Newmarket until the said fine be paid.

55. The person appointed by the Stewards to weigh the jockies shall, immediately after each day's race, report to the Keeper of the Match-book how much each horse carried, where he carried more than 2lb. above the specified weight. And the Keeper of the Match-book is, as soon after as may be, to communicate such report to the Stewards, or one of them. And the weight each horse actually carried, if more than 2lb. above his weight, shall be published in the first list printed after the race, and also in the account published in the Racing Calendar.

56. Every groom shall have his horse at the post, ready to start, within five minutes of the time appointed by the Stewards. And every jockey is to be there, ready to start, within the same time. And every groom and jockey making default herein shall forfeit 5*l*. to be paid to the Keeper of the Match-book, and by him accounted for to the Stewards.

57. The person appointed to start the horses shall mark in his list the time when the horses in each race actually started; and if there have been any false starts, the first of them shall be considered as the time of starting for that race. And he shall make a report thereof to the Keeper of the Match-book in the afternoon of the day the races are run. And if any delay beyond the allowed time shall have taken place, he shall state by whom or by what cause, the delay was occasioned. He shall regulate his watch by the Coffee-room clock, which shall be considered as the true time for this purpose.

The person appointed to start the horses has authority to order the jockies to draw up in a line as far behind the starting-post as he may think necessary; and any jockey disobeying the orders of the starter, or taking any unfair advantage, shall be liable to be fined in such sum, not exceeding 5*l*., as the Stewards of the Jockey Club may think fit to inflict.

58. If any horse, &c. intended to be entered for any plate or subscription, where entrance is required, shall be engaged to run on

the day of entrance, he shall not be obliged to show at the time of entrance; but if he have not before run at Newmarket, he shall show at the place of entrance, within one hour after his engagements are over. But no horse that has before run at Newmarket need be shown at the time of entrance, or afterwards.

59. When any match is made in which crossing and jostling are not mentioned, they shall be understood to be barred.

60. When any match or sweepstakes shall be made, and no weight mentioned, the horses shall carry 8st. 7lb. each. And if any weight is given, the highest weight shall be 8st. 7lb.

61. When any match or sweepstakes shall be made, and no course mentioned, the course shall be that which is usually run by horses of the same age as those engaged; viz.

If yearlings, the Yearling Course.

If 2 years old, the Two years old Course.

If 3 years old, Rowley's Mile.

If 4 years old, Ditch in. And

If 5 years old and upwards, Beacon Course.

And if the horses should be of different ages, the course shall be fixed by the age of the youngest.

62. The Keeper of the Match-book shall charge the proprietors of such horses as receive forfeit, and shall be excused from appearing, with the same fees for weights and scales as if they had come over the course.

63. Towards defraying the expense of repairing the course and exercise ground, one guinea annually shall be paid in respect of every race-horse that shall be trained or exercised, or that shall run any private trial or public race thereon. And the same shall be paid by the stable-keeper or servant having the care of such horse, and be charged by him to the owner of such horse. The Stewards shall make such orders as they think fit relative to the returns to be made by the stable-keepers or servants of the horses under their care, and if any such stable-keeper or servant shall fail to make a true return according to this order, he will be surcharged one guinea for each horse omitted in his list.

N.B.—At present all trainers are required to send in on the 1st of February a list of the horses which have been under their charge from the 1st of January, and on the first of every succeeding month a list of any additional horses that have been under their care since the preceding return.

64. If in running for any race one horse shall jostle or cross another, such horse and every horse belonging to the same owner, or in which he shall have a share, running in the same race, shall be disqualified for winning the race, whether such jostle or cross

happened by the swerving of the horse, or by the foul and careless riding of the jockey, or otherwise ; and where one horse crosses the track of another next behind him, it shall be deemed a sufficient cause of complaint, even though he be a clear length, or more, before the horse whose track he crosses, it being desirable that, when once the jockey has taken his ground, he should not prevent any other jockey from coming up, either on his right or left hand. And if such cross or jostle shall be proved to have happened through the foul riding of the jockey, he shall be disqualified from again riding at Newmarket: or shall be punished by fine or suspension for a time, as the Stewards shall think fit ; it being absolutely necessary, as well for the safety of the jockies themselves as for satisfaction of the public, that foul riding should be punished by the severest penalties.

65. All complaints of foul riding must be made before, or at the time, the jockey complaining is weighed ; and it may be made either by the owner, jockey, or groom of the horse, to one of the Stewards, to the Keeper of the Match-book, to the Judge of the race, to the Clerk of the Course, or to the person appointed to weigh the jockies.

66. In naming or entering for any race where there shall be any particular conditions required as a qualification to start, it shall be sufficient if the horse were qualified at the expiration of the time allowed for naming or entering, and he shall not be disqualified by anything which may happen after the expiration of that time, unless so specified in the article ; and if any additional weight is to be carried by horses which have won one or more plates or races within the year, it shall be construed to mean the year of our Lord.

67. Where it is made a condition of any plate or subscription that the winner shall be sold for any given sum, the owner of the second horse being first entitled, &c. no other person than one who ran a horse in the race shall be entitled to claim. The horse claimed shall not be delivered till he is paid for ; and he must be paid for on the day of the race, otherwise the party claiming shall not be entitled to demand the horse at any future period ; but nevertheless the owner of the winning horse may insist upon the claimant taking and paying for the horse claimed.

68. When the qualification of any horse is objected to by ten o'clock in the morning of the day of starting, the owner must produce a certificate, or other proper document, to the Steward, or Clerk of the Course, or to the Keeper of the Match-book, if the case happen at Newmarket, before the race is run, to prove the qualification of the horse ; and if he shall start his horse without so doing, the prize shall be withheld for a period to be fixed upon by the Stewards, at the expiration of which time, if the qualification be

not proved to the satisfaction of the stewards, he shall not be entitled to the prize, though his horse shall have come in first ; but it shall be given to the owner of the second horse. When the qualification of a horse is objected to after that time, the person making the objection must prove the disqualification.

69. It is expected that every member of the Clubs at Newmarket, and every person running or training horses at Newmarket, shall consider themselves amenable to these rules, and such others as the Stewards may from time to time think fit to adopt for the better regulation of racing at Newmarket. And all trainers, jockies, grooms, and servants of such persons are strictly enjoined to observe the same. And if any trainer, jockey, groom, or servant shall be proved to have been guilty of any infraction of these rules or orders, or any of them, he will be punished by the Stewards to such extent as they may think the case requires, and in such manner as they may have the power to enforce.

70. All disputes referred to the Stewards of the Jockey Club will be adjudged according to their published Rules and Orders, where any of them are applicable to the case submitted to them; and where not, according to the established rules of racing.

71. In all handicaps at Newmarket, when the highest weight accepting is under 8st. 7lb. it shall be raised to 8st. 7lb. and the others in proportion.

72. No rule, or alteration of a rule of the Jockey Club, shall take effect till it has been published in the Racing Calendar, unless specially ordered to the contrary at the time the said rule or alteration is adopted.

At a Meeting of the Jockey Club, held on Wednesday in the Houghton Meeting, 1836, it was resolved that in future the Stewards should have the power, in cases of urgent necessity, of putting off the races from day to day, and that all bets on such races should stand.

At a Meeting of the Jockey Club, held on Thursday in the Second October Meeting, 1838, which was very numerously attended, it was unanimously resolved :—

That it is the opinion of this Club that it is necessary to declare their extreme disapprobation of horses being started for races without the intention, on the part of their owners, of trying to win them.

That no horse, though coming in first, shall hereafter be deemed the winner of any plate, match, or sweepstakes, whether handicap or not, who shall be proved to have run, or to have continued to run, under a false description, and such disqualification shall

remain in force until his proper pedigree shall be ascertained and recorded. But no such objection to the qualification of a horse shall be received after the lapse of twelve months from the time of running.

At a Meeting of the Jockey Club, held on the 16th of October, 1838, it was resolved, that any member of a Racing Club, riding in with the leading horses in a race, shall be fined to the amount of 25 sov. and all other persons to the amount of 5 sov.

At a Meeting of the Jockey Club, held at Newmarket on Wednesday, the 12th of October, 1842, it was unanimously resolved—

That the Jockey Club, and the Stewards thereof, will henceforth take no cognizance of any disputes or claims in respect to bets.

They would recommend all persons having disputes thereupon to decide the same by referees, one to be chosen by each of the parties, and the two to select a third,

At a Meeting of the Jockey Club, held on Saturday, June 15th, 1844, it was resolved, that the Stewards of Newmarket for the time being should act conjointly with the Stewards of Epsom in the management of Epsom Races.

MEETING OF THE JOCKEY CLUB, MONDAY, June 17, 1844.

The Members of the Jockey Club having assembled to take into consideration some circumstances which have lately occurred on the Turf, and which seem urgently to require that the attention of the Club should without delay be directed to them, have come to the following resolutions:—

1st. That cases have occurred in which persons have fraudulently entered to run for stakes, which by the published conditions were limited to horses of a specified age, horses above the age so specified ; gaining for the horses so entered an unfair advantage over their competitors, and thus races have been won by horses which were in reality not qualified to start.

2nd. It appears to the Club that such proceedings not only tend to defraud the owners of those horses which would otherwise have been winners, but are calculated to inflict an injury upon the Turf by bringing racing into disrepute, and by deterring honourable men from entering into a competition, in which they run the risk of being encountered by such dishonest rivals.

3rd. That the Club, as patrons of racing, have in this matter a direct interest separate from that of the individuals who may happen to be sufferers by such frauds ; and that it behoves them to take care that in all such cases the law by which such frauds are punishable should be duly enforced. But it may frequently happen that the individual upon whom such frauds have been

practised may, on application to the Stewards of the Race obtain redress, so far as regards the payment of the stakes, and being content with this, may not choose to incur the trouble and expense of prosecuting the offending parties, and thus such parties, or other parties of a similar description, may be induced by the expectation of impunity to repeat attempts of the same kind.

- 4th. That in all cases in which it shall be established to the satisfaction of the Jockey Club that a fraud has been practised or attempted, by any person in regard to the entering or running any horse for any race, or that any other fraudulent proceeding, which is punishable by law, has taken place in regard to any race, the Jockey Club shall, if they think fit, with the consent of the party aggrieved (in case such party should decline to prosecute), take such steps as may be recommended by proper legal advisers, for the purpose of inflicting on the offenders the punishment to which they have rendered themselves liable.
- 5th. When the age or qualification of a horse is objected to, either before or after running, for any race in which he is engaged, the Stewards, or those whom they may appoint, being Members of the Jockey Club, shall have power to order an examination of the horse's mouth, by competent persons, and to call for all such evidence as they may require, and their decision shall be final; unless they shall think fit to recommend that the question in dispute be carried into a Court of Law.
- 6th. If a horse shall run, or be brought to run, in any race in England, or elsewhere, and it shall be proved to the satisfaction of the Stewards, or of those whom they may appoint, that the horse was not of the age represented, the owner, or part owner, trainer, groom, or person having the care of such horse at the time, shall be for ever disqualified from running or training any horse where the rules of the Jockey Club apply, and from being employed by any member of the said Club.
- 7th. No horse foaled out of the United Kingdom shall be entered for any race where the rules of the Jockey Club prevail, unless the owner shall at the time of naming produce to the person appointed to receive such nomination, and leave with him, a certificate from some racing club of the country where the horse was foaled, or from the mayor or other public officer of the district, stating the age, pedigree, and colour of the horse, and the marks by which it is distinguished.

At a meeting of the Jockey Club held June 7, 1845, it was unanimously resolved,

That if a horse shall fraudulently run or be entered to run for any race by a false description, such horse shall be thenceforth disqualified for running in any race.

At a numerous meeting of the Jockey Club held at Newmarket on Tuesday, in the Second October Meeting, 1845, it was resolved. That the unanimous thanks of the Jockey Club be rendered to his Grace the Duke of Richmond, K.G. for his Grace's indefatigable exertions and eminent services in the House of Lords, whereby many obsolete statutes which threatened destruction to the best interest of the Turf have been repealed, and the remaining laws in regard to horse-racing put upon a safe and satisfactory footing.

Resolved,
That the Standing Rules and Orders of the Jockey Club be suspended, in order to the election, by open voting, of Viscount Palmerston as a Free Member of the Jockey Club.

Resolved,
That Viscount Palmerston be, and his Lordship is hereby elected an Honorary Member of the Jockey Club.

Resolved,
That the unanimous thanks of the Jockey Club be offered to the Right Hon. Viscount Palmerston, for the invaluable services which his Lordship rendered to the interests of the Turf in regard to a revision of the laws affecting the same, and that his Lordship be requested to become an Honorary Member of the Jockey Club, having been elected unanimously by a suspension of their rules.

Resolved,
That these resolutions be forwarded by the Stewards respectively to his Grace the Duke of Richmond, K.G. and to the Right Honourable Viscount Palmerston, and published in the Book Calendar.

Resolved,
That no races for Gentlemen riders be allowed at Newmarket during the regular Meetings, without the sanction of the Stewards, and that in the event of such sanction being obtained, these races be the first or last of the day.

During the October Meetings, 1844, an investigation took place into the conduct of Samuel Rogers, with respect to the late Mr Croekford's horse Ratan, which ran for the Derby stakes at Epsom in 1844, the result of which inquiry was that Samuel Rogers and John Braham were warned off the Course and exercising-ground at Newmarket, and also that Samuel Rogers was declared to be unfit ever to ride or train again for any Member of the Jockey Club, either at Newmarket, or at any place where their rules and regulations are in force.

The Stewards of the Jockey Club having attended at Messrs Weatherby's office in Burlington street on Saturday the 31st of May, and by adjournment on Monday the 2nd of June, to hear a charge brought by Mr Gully against Mr J. F. Bloodsworth and William Stebbings of having conspired to bet against Old England for the Derby, in connexion with William Day, and through information clandestinely derived from him, and subsequently to lame or by other means to prevent the said horse running for that race, having heard the confession of William Day, and the evidence of William Barrett, jun. and of John Day, sen. are satisfied that Messrs Bloodsworth and Stebbings did conspire to bet against Old England; that communication was kept up by Stebbings writing letters through Bloodsworth to William Day, which letters were sent under cover to William Barrett, jun. of Stockbridge, for several months. It appeared that William Day and William Barrett, jun. did on different occasions meet Stebbings at Bloodsworth's house in London, and at other places, to carry out their plans. It was also positively stated by William Day and William Barrett that Stebbings did at Bloodsworth's house recommend that the horse's foot should be bruised by striking it with a hard stone, or by tying a handkerchief round the leg, and striking the sinew with a stick, and if that was not sufficient, that he, Stebbings, could easily get a powder, which, being mixed with the corn, would stop him. They added that Bloodsworth was averse to the last part of this proposal, saying it was a lagging affair. Messrs Bloodsworth and Stebbings denied the whole story of having desired William Day to maim the horse, but admitted that they had betted largely against Old England, in consequence of the information they had obtained from William Day; and Stebbings acknowledged that he had received full information from William Day for several years as to the qualities and condition of horses in John Day's stables, and had betted largely for himself and for William Day in consequence of such information.

The Stewards therefore order—

That J. F. Bloodsworth, William Stebbings, and William Day be warned off the Course at Newmarket, and out of the Coffee-room yard there; and that William Day be not permitted to ride in any race at Newmarket.

They also recommend the proprietors and stewards of all race-courses where the rules of the Jockey Club are in force, to prevent them from appearing on such courses.

GEO. ANTON.

The Stewards of the Jockey Club, assisted by the Marquis of Normanby and Col. Peel, having met on Saturday the 14th of June, and again, by adjournment, on Tuesday the 17th, and Wednesday the 18th, to inquire into a charge preferred against Mr Crommelin, came to the following decision :—

“ We have examined into the charge against Mr Crommelin, of having offered John Day, jun. a large bribe to procure the defeat of the horse then called the Melody colt, in the Derby of 1840. This charge founded upon a statement made to Mr Etwall, the proprietor of the horse, by John Day, jun. was supported only by his own evidence, which we find to be utterly unworthy of belief, contradicted as it was on many important points by letters in his own handwriting of that date, addressed to Mr Crommelin, and produced by him.

“ It having been necessary for Mr Crommelin’s defence, that he should place these letters in evidence before us, we further find from their contents, that subsequent to this period both John Day, sen. and John Day, jun. had not only continued but increased their intimacy with Mr Crommelin, whom one accused and the other believed capable of such atrocious villany, and that to this person, John Day, jun. was in the habit of confiding the secrets of the stable.

“ The nature of this connexion appears to us to have been discreditable to all the parties concerned, but considering the length of time that has elapsed since these transactions occurred, we think it unnecessary now to take any further steps with respect to this part of the case, than to give the strongest expression of our opinion, that such a connexion as has been established is calculated to destroy that confidence in the faithful attention of public trainers to the legitimate interests of their several masters, on the security of which the continued prosperity of the Turf can alone rest.

“ John Day, jun. having before us endeavoured to support a criminal charge by wilful falsehood, we direct that he be warned off the Course at Newmarket and out of the Coffee-room yard there, and be not permitted to ride in any race at Newmarket.

“ We also recommend the proprietors and Stewards of all race-courses where the rules of the Jockey Club are in force, to prevent him from appearing on such Courses.

ADJUDGED CASES.

CASE I.

A, B, and C run for a subscription, the best of heats. A wins the *first* heat, B the *second*.—C's rider, after saving his distance the second heat, dismounts between the Distance-post and the end, but remounts, rides past the Ending-post, and weighs as usual ; starts and wins the *third* heat, and weighs, without any objection being made.

A, being second the third heat, in a short time afterwards demands the subscription (not knowing till then that C's rider had dismounted), and refuses to start for the *fourth* heat, which B and C run for, and C wins.

It was decided that, no objection having been made to C's starting for the third heat, he was entitled to the prize.

CASE II.

The winner of a plate, whose horse had distanced all the others applied for the stakes or entrance-money, which was advertised to be paid to the second-best horse that won a clear heat—one of the distanced horses had won the first heat.

It was decided that the winning horse cannot be deemed the second horse, and therefore was not entitled to the stakes ; and all the others being distanced, no other person could claim them.

CASE III.

A gold cup, &c., for horses that never won.

A	-	-	-	1
B	-	-	-	2
C	-	-	-	3

The owner of B claimed on the ground of A's disqualification, he having, the preceding year, won a clear heat at Chelmsford, to entitle him, according to their articles, to the stakes or entrance-money.

It was decided that A was not disqualified, the term "winner" applying only to the horse that beats all the rest.

CASE IV.

Whether a horse having won a sweepstakes of 23gs each (3 subscribers) is disqualified to run for a 50l. plate, expressed to be for horses that never won plate, match, or sweepstakes of that value ?

It was decided that it was the practice, in estimating winnings, to consider the clear sum gained only, and consequently to exempt the stake of the proprietor; the horse, therefore, which had won a sweepstakes of 46gs only, viz. two stakes of 23gs each, was not thereby disqualified for the 50l. plate above-mentioned.

CASE V.

Mr Baird having entered two horses for the King's plate at Newcastle, in 1793, and won it with Sans Culotte (his other horse not starting), the owner of the second horse objected to his receiving the plate, on the ground that he was disqualified by having entered two horses.

It was decided that Mr Baird was entitled to the plate.

CASE VI.

A betted B that a mare should trot a mile in five minutes, in four minutes and a half, and in four minutes; all of which, it was stated, she won with ease; but B measuring the distance, after the races were over, found it was short of a mile by four yards.

It was decided that, as no objection was made to the measure of the Course before starting, and the mare having performed the distance set out, and not objected to, A won all the bets.

CASE VII.

After the race for the Somersetshire stakes at Bath, in 1829, it was discovered that the person in whose name Rasselas was entered was dead before the race was run, and Mr Day, the owner of Liston, who came in second, claimed the stake. The matter was referred to the Stewards of the Jockey Club. It was decided that Liston was entitled to the stake, because, of all the horses *qualified to start for the stake*, he was the first, Rasselas being disqualified by the death of the person in whose name he was entered.

But the Stewards thought that, in this case,—as in that of a horse disqualified to start from the stakes not having been duly made,—the bets should stand according as the horses came in.

CASE VIII.

At Canterbury races, 1829, for the 100l. given by the Noblemen and Gentlemen, Mr Pearce's Guildford won the two first heats; but Mr Mattam, the owner of Moor Buzzard, claimed the plate, alleging that Guildford was disqualified, his owner having run two horses for a prize for which heats were run.

It was contended on the part of Mr Pearce, 1st. That this was not a plate; 2nd, That no objection was made till after the jockies were weighed, and the horse led away.

The matter being submitted to the Stewards of the Jockey Club, they were of opinion that Moor Buzzard was entitled to the prize, and referred to the Rules of Racing, the last but one in page xxvii, vol. 1828, as decisive.

CASE IX.

Blandford, 1829.—For the gold Cup, by subscribers of 10 sov. each, it was a condition that the surplus should be paid to the owner of the second horse, in specie. Brownlock walked over for the cup, so that there was no second horse. The opinion of the Stewards of the Jockey Club was requested, as to who was entitled to the surplus. They gave it as their opinion, that there being no second horse, the surplus must be divided amongst the original subscribers to the cup.

It was determined, on a case which arose at Chelmsford so long ago as the year 1784, where the winner distanced all the five horses, that the winner could not be deemed the second-best horse, and therefore was not entitled to the stakes.

CASE X.

The following nomination was made for a produce sweepstakes at Ascot :—

Lord Tavistock's sister to Benedick, covered by Middleton.

There being two sisters to Benedick, the nomination was incomplete according to the 17th clause of the Rules and Orders. Lord Tavistock ascertained that the other sister to Benedick was sent abroad some time before the stake closed, and submitted that this circumstance sufficiently identified his nomination. The Stewards of the Jockey Club declined to go into evidence of this nature, and decided that the nomination was invalid.

CASE XI.

A question was submitted to the Stewards of the Jockey Club, in the Craven Meeting, 1840, as to the qualification of the Duke of Portland's Beiram colt to start for the 200 sov. stakes on Friday in that Meeting, for which stakes he was entered as a b. c. by Beiram, dam by Reveller, out of Veil. Veil had produced two fillies by Reveller; one foaled in 1831, which was the dam of the Duke of Portland's colt, the other in 1832. It was proved to the satisfaction of the Stewards that the latter mare was not living when the Beiram colt was born, and they therefore decided that the nomination was valid.

CASE XII.

For the Stand Cup at Liverpool races, in July 1829, Velocipede was saddled, mounted, and brought out; but on being cantered, the rider found him lame, and did not take him to the post to start.

A question respecting the bets was submitted to the Stewards of the Jockey Club, who decided that the case did not come within the provisions of the 31st (now the 40th) clause of the Rules and Orders, and that the bets about Velocipede, were not to be considered as play or pay.

CASE XIII.

Two horses ran a dead heat at Newmarket. The owners requested permission of the Stewards to run the race over again between two of the other races of the day. The Stewards decided that the rule 43 (now 53) must be imperative, and that the horses which had run the dead heat must run again half an hour after the last race of the day.

CASE XIV.

A bet of 2 to 1 was laid on Turquoise against Elinor for the Oaks—Elinor, being improperly named, was not allowed to start. The question, whether the bet was to stand or not, was submitted to the Stewards, who agreed to refer it to a general meeting of the Jockey Club, at which it was ultimately decided that the bet was void.

CASE XV.

A admitted that he had lost 100*l.* to B, but declined paying it because he intended paying it to C, who had a claim on B for 100*l.* The Stewards decided that A must pay the 100*l.* to B forthwith, as no transfer could take place without the consent of both parties.

CASE XVI.

For the Lansdowne stakes at Bath, Mrs Day's brother to Lusher, Mr Sadler's Achilles, and Mr Wreford's Wilna, had each won a heat; Wilna was then drawn; Mrs Day and Mr Sadler agreed to divide the stake, and brother to Lusher walked over.—Two questions were submitted to the Stewards of the Jockey Club, who decided—

1st. That the bets should be put together and divided, in the same proportion that had been agreed upon in respect to the stakes.

2nd. That brother to Lusher must carry extra weight on future occasions as the winner of this race.

CASE XVII.

The opinion of the Stewards of the Jockey Club was requested by the Stewards of Rochester and Chatham Races on the following case:—

For the Chatham plate, the winner of a stake or plate in 1825 was to carry 7*lb.* extra, and the question was, whether a filly who had won a plate *subsequently* to the *entering* for the Chatham plate,

but *previously to the running* for it, was to carry 7lb. extra ?—The Stewards of the Jockey Club gave it as their opinion that she was not obliged to carry 7lb. extra; and they stated that they were aware that conflicting opinions had been given on this question, but on mature consideration they thought the better rule was, that a horse being duly qualified at the expiration of the time of naming or entering for a stake or plate, should not be affected, as to that stake or plate, by any subsequent event.

This decision has been confirmed by an opinion given on a similar case, transmitted to the Stewards of the Jockey Club in 1832, from the Royal Caledonian Hunt Meeting.

CASE XVIII.

A bets B 50 to 20 that C and D do not both win; C wins, but D was disqualified from starting, as it was a maiden plate, and he had previously won.

Q. Does A win the 20? or is B entitled to a part of the 50?

A. If D was qualified at the time the bet was made, A wins; but if D was disqualified at the time, then the bet is off.

CASE XIX.

A bets B 10 to 8 that Whale did not win either the Garden stakes or the match with Beiram; Whale was beaten in the Garden stakes and the match with Beiram was off by consent.

Q. Is A entitled to receive or not?

A. The money must be put together and divided.

CASE XX.

On the Thursday evening preceding the race for the Oaks stakes, A betted B the odds to 100*l.* against Ninny winning the Oaks, which bet B refused to pay, on the ground that the mare had been declared not to start before the bet was made. The question was referred to the Stewards of the Jockey Club, and it appearing upon evidence that the mare was declared not to run at seven o'clock on Thursday morning, they decided that the bet was void.

CASE XXI.

A, B, and C start for a plate (with four others), heats; A won the first heat, B won the second, A won the third.

Between the first and second heats, the owner of C purchased A. Is A disqualified?

On investigation, the sale of A to C's owner was acknowledged, but it was stated that no delivery or payment took place until a subsequent day. It was also stated that it was agreed between the owners of A and C that this sale was not to influence the possession of the plate.

DECISION.

The sale of A to the owner of C, between the first and second heats, being established, A is disqualified, by the 6th rule concerning Horse Racing in General, unless C was drawn before the second heat was run.

CASE XXII.

A B claimed of C D a bet of 500 to 20 upon Satirist for the Doncaster St Leger, which bet he stated he had made with him during the Epsom race-week ; C D, on the other hand, stated that the bet was laid against the Duke of Wellington, and claimed 20*l.* of A.B.

The bets were not compared before the race, and each party's case was supported by the entry in his betting-book.

DECISION.

After hearing the statements of both parties and of their witnesses, the Stewards are of opinion that there is not sufficient evidence to justify them in giving a decision in favour of either claimant, and they therefore decide that both bets are to be struck out, and no money to be paid or received on either side.

In order to prevent as much as possible the recurrence of similar disputes, the Stewards take this opportunity of cautioning all persons to compare their bets before the great races.

CASE XXIII.

A case was submitted to the Stewards of the Jockey Club at the Houghton Meeting 1844, by the purchaser of the colt then called Perkin Warbeck, which ran at Ascot under the name of Bloodstone, involving the following questions :—

1st. Whether the forfeits due upon the entries of Mr Newman's ch. c. Bloodstone, by Bubastes, out of Romaine, attach to the said Perkin Warbeck, so as to disqualify him from starting while they remain unpaid.

2nd. Whether it will not be competent for the present owner of Perkin Warbeck to run him in 1845, as being then a maiden four years old, believed to be by Beiram, out of Romaine.

To the first question the answer was—

That as it was proved that there was a colt by Bubastes, out of Romaine, of the right age, for which the other horse was substituted, the forfeits are due for the Bubastes c. and do not attach to the horse which ran at Ascot by the name of Bloodstone.

To the second question the only answer the Stewards gave was—

That the race at Ascot did not disqualify the horse which ran there as Bloodstone for running as a maiden horse.

ABINGDON—Is a flat Course, a mile and a quarter round, and within half a mile of the town.

ASCOT HEATH—Is a circular Course, short of two miles by 66 yards the first half of it is nearly all on the descent, and the last half, which is called the Old Mile, is up hill the greater part of the way. The Swinley Course is the last mile and half of the above. The New Mile is straight, and up hill all the way. The T. Y. C. is the last 5 furlongs and 136 yards of the New Mile.

AYR—Is a round flat Course of one mile and 330 yards, with a straight run in of a quarter of a mile.

BATH—Is nearly an oval of one mile and a half, with a straight run in of half a mile.

BURTON CONSTABLE.—The Race-course is in the extensive park of Sir Clifford Constable, Bart., of Burton Constable, which is situated about four miles from the town of Hedon, and eight from Hull. The Course is nearly circular, a mile and a quarter, with a

straight run in of about 500 yards. It is, on the whole, a level Course with the exception of the top side, where there is a hill.

CATTERICK BRIDGE.—The Course is an oval, of one mile and sixty yards, almost flat; from the Catterick turn in is a little short of half a mile.

CHATHAM.—Is one mile and one furlong. There is a straight run in of a quarter of a mile and 24 rods, which is flat; the opposite side of the Course, which is on lower ground, is also flat. The Course is in one field, and the horses are seen from the Judge's chair all the way round.

CHELMSFORD.—Is a round or oval Course, short of 2 miles by about 30 yards, but made up 2 miles by starting between the Distance-post and the Winning-chair. The last half-mile is a rise to the end. There is likewise a straight mile.

CHESTER.—A flat Course of one mile and 100 yards round.

COVENTRY.—The Course is one mile in circumference. It is an oblong square, with the corners rounded off. There is an ascent of about 300 yards on the left, then a straight line of about 600 yards, on the elevated ground. On the right is a descent corresponding to the ascent on the left, with a straight and level run in of about a quarter of a mile. It is closely adjoining the town on the Lutterworth road.

CROXTON PARK.—The new Course is pear-shaped, 22 yards short of 2 miles; the run in flat and perfectly straight for 840 yards.

DONCASTER.—Is a circular and nearly flat Course of about one mile, 7 furlongs, and 70 yards. The shorter Courses are portions of this circle. The T.Y.C. is 7 furlongs, 214 yards. Red-house in, 5 furlongs, 152 yards.

DUDLEY.—Is of an oval shape, one mile and a quarter and 18 yards, two-thirds of which are nearly flat, and the remainder rather hilly. The run in is a straight half-mile, with a very gradual rise.

EGHAM.—The round or rather oval Course is short of 2 miles by 66 yards, and nearly flat.

EGLINTON PARK.—Is an oval Course, 150 yards less than 2 miles; it is almost flat, with the exception of rather a steep hill about half a mile from the Winning-post. The run in is about half a mile. The T.Y.C. is a straight half mile.

ERSOM.—The Old Course, now seldom used except for the cup, is 2 miles of an irregular circular form, the first mile up hill. The New Derby Course is exactly a mile and a half, and somewhat in the form of a horse-shoe; the first three quarters of a mile may be considered as straight running; the bend in the Course being very trifling, and the width very great; the next quarter of a mile is in a gradual turn; and the last half-mile straight. The first half-mile is on the ascent, the next third of a mile level, and the remainder is on the descent till within the distance, when the ground again rises.

The new T.Y.C. is 6 furlongs; the old T.Y.C. or Woodcote Course, is something less than 4. The Craven Course is one mile and a quarter.

EXETER—The Old Course is round, or rather oval, of 2 miles, two-thirds of which are nearly flat, and the remainder rather hilly; the last half-mile is in a straight line with a little ascent, and beautiful coming in. There is a round and level Course of one mile, recently made, called the New Course, and a Three-mile Course, also nearly level, formed out of the New and Old Courses.

HEREFORD (New Course).—An oval Course of one mile and 330 yards, with a straight run in of about 600 yards.

HUNTINGDON—Is a round or oval Course, flat, short of 2 miles by a distance, with a straight run in of nearly half a mile.

KNUTSFORD—Is a round Course of one mile only, nearly flat.

LICHESTER—Is rather oval in shape, a mile and 12 yards, nearly level, with a little hill before coming to the straight run in, which is 540 yards in length, and flat. It is half a mile from the town, on the London road.

LIVERPOOL—Is an oval Course of a mile and a half; one side is gently declining, the other rising from the Canal side, where is the starting-post for the Cup Course and the T.Y.C. There is a straight run in of about 1000 yards.

MANCHESTER—Is an oval Course of nearly a mile. The T.Y.C. is 5 furlongs, 184 yards. At the back of the Stand there is a strong hill, from the top of which there is a gentle descent to the distance, thence nearly flat. The run in is straight, and nearly 8 furlongs.

NEWCASTLE-UPON-TYNE.—Is composed of four unequal sides, and nearly approaching to a triangle; the distance round is one mile, 6 furlongs, 82 yards. The T.Y.C. is 6 furlongs. The Courses called Two-mile Course and Mile Course are exactly of the stated distances. There are hills in different parts of the Course.

NEWTON—Is a triangular Course of about a mile and a quarter, with a strong hill, and a straight flat run in of nearly half a mile. The Golborne, or Two yrs old Course, is the last half mile.

NORTHAMPTON—Is an oval Course, one mile and a half and 180 yards round, with a hill half way, and a straight run in of half a mile, which is the Two yrs old Course. There is a good width up the ropes, and the turns are easy.

OXFORD—Is a round or rather oval Course of two miles all but a distance, and quite flat; the last half mile straight.

PLYMOUTH—Is nearly an oval Course of one mile and a half, quite flat, with a straight run in of a third of a mile.

RICHMOND—Is an oval or egg-shaped Course, measuring one mile

and a half and 164 yards. From the Grey-stone in measures half a mile and 200 yards of straight running, rather against the hill, and finishing on the level. From the Lime-kiln Gate three quarters of a mile and 100 yards. There is a substantial stone-built Stand, from which the whole Course is visible except about 100 yards.

SALISBURY.—The Mile Course is straight and flat, with the exception of a rise for the first fifty yards. The T.Y.C. is the last three quarters of this straight Course. For the Two-mile Course the horses start beyond the Winning-chair, run past the Chair and the Stand, and diverge to the left from the straight Course, which they re-enter at the T.Y.C. starting-post.

SHREWSBURY.—Is rather an oval Course, of one mile and 185 yards, with a straight run in of nearly half a mile, and a little hill between the last turn and the distance.

STAMFORD.—Is a round or rather oval Course, with a straight run in of nearly half a mile. This Course is flat, but there is a new straight mile, the first half of which is rather up hill till it joins the round Course at the Easton turn. The Cup Course, three times round, is exactly 4 miles; there are no sharp turns.

STOCKBRIDGE.—Is nearly a round Course, somewhat hilly, the last three quarters of a mile straight for the run in; and there is also a straight mile.

WORCESTER.—Is a dead flat, and of irregular shape. The Half-mile Course and the Five-furlong Course are straight. The Mile-and-quarter Course is a figure of 6, the first and last half-mile being straight. The Two-mile Course is a figure of 8, the last half-mile straight.

YORK.—The Race-course is about a mile from the city, on a plain called Knavesmire; it is quite flat, rather oval in shape, and about two miles in length.

Will commence on Tuesday the 1st of June.

NOTICE. The Trustees of the Grand Stand give notice, that no person notoriously in default in respect to stakes, forfeits, or bets upon horse-racing, or guilty of any fraudulent practices on the turf, or in matters connected with it, will be admitted within the Grand Stand during any meeting on Ascot Heath; and if any such person should gain admittance, he will be expelled therefrom upon his presence being pointed out to the Master of the Buckhounds, or the Clerk of the Course, unless he can produce satisfactory proof that he is no longer a defaulter in respect to stakes, forfeits, or bets upon horse-racing.

No person in arrear of stakes or forfeits due on races at Ascot or elsewhere, and no person being notoriously a defaulter in respect to bets lost upon horse-racing, or guilty of any fraudulent practices on the turf, or in matters connected with it, will be permitted to name, enter, or run, either in his own name or in that of any other person, any horse of which he is either in whole or in part owner, for any plate, cup, match, or sweepstakes at any meeting upon Ascot Heath; and in order to prevent such persons from evading this regulation, the Master of her Majesty's Buckhounds, or any one of the Stewards of the Jockey Club, whenever there shall be reason to suspect that an evasion of this rule is intended, will call upon the nominator to produce satisfactory testimony that the horse named is not the property, in whole or in part, of any person in default in respect to stakes, forfeits, or bets upon horse-racing, or guilty of any fraudulent practices on the turf, or in matters connected with it; and if the nominator shall refuse, or fail to produce, such satisfactory testimony, then the Master of the Buckhounds or Steward of the Jockey Club shall cause the nomination to be erased.

GOODWOOD, 1847,

Will commence on Tuesday the 27th of July.

. His Grace the Duke of Richmond hereby gives notice that no person guilty of any malpractices, or notoriously in default in respect of stakes, forfeits, or bets lost upon horse-racing, will be admitted within the Grand Stand or its inclosure, or on his property in Sussex, during any race-meeting at Goodwood, and if any such person should gain admittance therein or thereupon, he will be expelled upon his presence being pointed out to his Grace the Duke of Richmond, the Stewards of the time being, or to the Clerk of the Course.

N.B. Parties who have been warned off from the Race-course are reminded that if they attend this year they will be prosecuted, unless the notice has been regularly withdrawn by the person who signed it.

Notice is hereby given, that no horse whose professed age is suspected will be allowed to start without a previous examination of his mouth by competent persons appointed by the Stewards, and if not objected to until after the race, a similar examination will be insisted upon; and in case of resistance to such examination by the owner, trainer, or other person having charge of such horse, the stakes will be awarded and the race given to the second horse, and the parties implicated will be for ever excluded from running horses at or attending the Goodwood races. Objections must be made in writing to one of the Stewards, or to Mr Weatherby.

The Duke of Richmond gives notice that he will permit no horse, which shall have been proved to have been fraudulently run under a false description, to be entered for or to run for any plate, match, or sweepstakes, or other prize at Goodwood hereafter.

CONDITIONS (A).

No person continuing in arrear of stakes or forfeits due on races at Goodwood or elsewhere, after due application made for payment

of the same, and no person being notoriously a defaulter in respect of bets lost upon horse-racing, will be permitted to name, enter, or run, either in his own name or in that of any other person, any horse of which he is either in whole or in part owner, for any plate, cup, match, sweepstakes, or other prize, at any race-meeting on Goodwood Race-course.

And, in order to prevent persons who are defaulters in regard to stakes, forfeits, or bets lost upon horse-racing, from evading these regulations, his Grace the Duke of Richmond, or any one or more of the Stewards for the time being of Goodwood races, whenever there is reason to suspect that an evasion of this rule is intended, shall call upon the nominator to produce satisfactory testimony that the horse named is not the property, in whole or in part, of any person in default in respect of stakes, forfeits, or bets lost upon horse-racing; and if the nominator shall refuse or fail to produce such satisfactory testimony, then his Grace the Duke of Richmond, or the Stewards for the time being of Goodwood races, shall cause the nomination to be erased, and the nominator will be held liable for the stakes or forfeits thereon.

And no horse trained by any groom or other person who is a defaulter in respect of stakes, forfeits, or bets lost on horse-racing, or being in any way under the care, management, or superintendence, or under the joint care, joint management, or joint superintendence, of any person who is a defaulter in respect of stakes, forfeits, or bets lost on horse-racing, will be permitted to start for any plate, cup, match, sweepstakes, or other prize, at any race-meeting on Goodwood Race-course.

Should any horse, nevertheless, coming properly under the foregoing prohibitory regulations, be mistakenly permitted to start, such horse will not be considered a winner though he should come in first, but will be placed as the last horse in the race, and the subscriber naming him will have to pay the whole stake, as for a beaten horse.

FIRST DAY (first race).—The Craven Stakes of 10 sov. each subscription, for horses and mares of all ages; three yrs old to carry 7st. four, 8st. 4lb. five, 8st. 10lb. six and aged, 8st. 12lb. one mile and a quarter.

YORK AUGUST MEETING, 1847,

Will take place on the 18th, 19th, and 20th of August.

Public money added to this meeting, upwards of 1100*g*a.

. Notice is hereby given, that no horse will be allowed to start for any stake at York in the present year, without his mouth being examined (if required) by one or more veterinary surgeons, to be appointed by the Stewards. If an objection to a horse's age shall not be made till after the race, the Stewards will insist upon a similar examination; and if the owner or trainer of any horse which has come in first shall refuse to allow the examination, such horse shall not be considered the winner, but the stake shall be given to the first horse in the race which is duly qualified.

CHESTERFIELD.

S. L. FOX.

G. PAYNE.

RULES AND REGULATIONS.

63 The Stewards and Committee of York races give notice, that no person notoriously in default in respect to stakes, forfeits, or bets upon horse-racing, will be admitted within the Grand Stand, or its enclosure, during any meeting at York; and if any such person should gain admittance, he will be expelled therefrom upon his being pointed out to the Stewards, or the Clerk of the Course, unless he can produce satisfactory proof that he is no longer a defaulter in respect to stakes, forfeits, or bets upon horse-racing. No person in arrear of stakes or forfeits due on races at York or elsewhere, and no person being notoriously a defaulter in respect to bets lost upon horse-racing, will be permitted to name, enter, or run, either in his own name, or in that of any other person, any horse of which he is either in whole or in part owner, for any plate, cup, match, or sweepstakes at any meeting there; and, in order to prevent persons who are defaulters in regard to stakes, forfeits, or bets upon horse-racing from evading this regulation, the Stewards, whenever there shall be reason to suspect that an evasion of this rule is intended, will call upon the nominator to produce satisfactory testimony that the horse named is not the property, in whole or in part, of any person in default in respect to stakes, forfeits, or bets upon horse-racing; and if the nominator shall refuse or fail to produce such satisfactory testimony, then the Stewards shall cause the nomination to be erased.

Should a walk over take place for a cup or sweepstakes to which money is advertised to be given, it will be withheld; or if run for by two horses only belonging to the same owner.

All disputes to be determined by the Stewards, or by whom they may appoint, and such decisions to be final.

The other rules and regulations to be observed at the meeting will be the same as before, and will be published in due time.

CATTERICK BRIDGE, 1847,

To take place on Tuesday and Wednesday the 13th and 14th days of April (being the week after the Newmarket Craven Meeting.)

RULES AND REGULATIONS.

The Stewards and Committee of Catterick Bridge Races give notice that no person notoriously in default in respect to stakes,

forfeits, or bets upon horse-racing, will be admitted within the Stand or its enclosure, during any meeting at Catterick Bridge; and if any such person should gain admittance, he will be expelled therefrom upon his presence being pointed out to the Stewards, or the Clerk of the Course, unless he can produce satisfactory proof that he is no longer a defaulter in respect to stakes, forfeits, or bets upon horse-racing.

No person in arrear of stakes or forfeits due on races at Catterick Bridge or elsewhere, and no person being notoriously a defaulter in respect to bets lost upon horse-racing, will be permitted to name, enter, or run, either in his own name or in that of any other person, any horse of which he is either in whole or in part owner, for any plate, cup, match, or sweepstakes at any meeting there; and in order to prevent persons who are defaulters in regard to stakes, forfeits, or bets upon horse-racing, from evading this regulation, the Stewards, whenever there shall be reason to suspect that an evasion of this rule is intended, will call upon the nominator to produce satisfactory testimony that the horse named is not the property, in whole or in part, of any person in default in respect to stakes, forfeits, or bets upon horse-racing; and if the nominator shall refuse, or fail to produce, such satisfactory testimony, the Stewards shall cause the nomination to be erased.

1. Each winner to subscribe 2gs. and each jockey 1 sov. per annum, or 5s. for each race he rides, for the use of scales and weighing room. Trainers to declare the colours at the place and time of entry or by letter, or forfeit 10s. the same forfeit to be inflicted upon the owner for having his horse ridden in a different colour to the one given in.

All horses exercised on the ground previous to the races to pay 5s.

2. The horses will be numbered on the official card and sheet lists, and as soon as each jockey is weighed, his number will be exhibited to the public; and the Stewards will not only reprobate in the strongest manner the conduct of any person causing his jockey to weigh and afterwards withdrawing him from the race, but will fine the person thus offending, whether trainer or owner, 2 sov. and will not allow any horse belonging to the same party to start for any other race at Catterick Bridge, until such fine be paid.

3. The races will be run each day in the order in which they are put upon the cards and lists of the day, without any alteration.

4. The hour for starting for each race will be printed on the cards and lists of each day. The bell for saddling for each race will ring a quarter of an hour before the time appointed for starting, at which time the race will be run without waiting for such horses as are not ready, except in the case of some unforeseen accident, when the express consent of the Stewards will be required for the delay.

5. Weather-permitting, of which the Stewards present will be the

judges, the horses are to be saddled within the enclosure adjoining the Stand, or half a sov. to be paid to the fund by the trainers of such as do not.

6. Each jockey will be required both to walk and canter his horse past the Stand once at least before going up to the post to start, and each jockey failing to do so will be fined half a sov.

7. The starter will on every occasion take the horses some distance behind the starting-post, and will oblige all the jockies to make their horses walk as slow as possible up to the starting-post, when he will drop a flag, whilst a flagman in front will drop his flag also, and the first dropping of the flag will be the start, and such as do not go will be left behind; but no start will be a valid start without the flags being dropped by both flagmen.

8. Any jockey presuming to start, or even to put his horse into a trot or canter, with a view to take advantage of his fellows, before the flags are dropped, or wilfully turning his horse round, not starting when the flags are dropped, or refusing to obey the commands of the starter in any respect whatever, will be fined half a sov. for each act, and will not be allowed to ride again at Catterick Bridge Races till such fine be paid; and the Stewards will listen to no evidence but that of the starter, and will admit no excuse on the part of the delinquent jockey.

9. The number of the winning horse will be exhibited immediately after each race.

10. Horse-owners and trainers are earnestly requested by the Stewards to give the earliest information to the Secretary, or Clerk of the Course, of the horses intended to run, and of the names of the riders.

11. Should walk-over take place for a cup or sweepstakes to which money is advertised to be given, it will be withheld; or if run for by two horses only belonging to the same owner.

12. Three reputed horses to start for each plate, or no race without the consent of the Stewards.

13. No person allowed to ride upon the Course without the express permission of the Stewards.

14. To prevent accidents the police have received orders to destroy all dogs found upon the Course, and to take into custody all persons who refuse to go off after being requested to do so.

15. In all other respects the established rules and regulations of Newmarket will be abided by.

16. All disputes to be determined by the Stewards, or by whom they may appoint, and such decisions to be final.

17. Gentlemen whose horses are engaged more than once in the same day, and entertaining any preference as to the order in which they wish the respective races to be run, are requested to give notice of their wishes to the Secretary, or Clerk of the Course, by four o'clock on the day before running.

18. Every jockey is to be properly dressed in silk, satin, or velvet jacket and cap, and in white, buff, or leather breeches, and boots, or to be fined one sov. to be paid before starting.

19. Every jockey riding more than 2lb. above his weight, in any race, must declare the exact weight he intends to ride to the Clerk of the Course, or to one of the Stewards, one hour before the time fixed for the first race of the day, in default of which the horse so rode will not be considered a winner, though he should come in first, but will be placed as the last horse in the race, and his owner will have to pay the stake as for a beaten horse; and whether the horse comes in first or not, the jockey will be fined 5 sov. for his neglect, and will not be allowed to ride again in a public race at Catterick Bridge until the said fine be paid.

20. All the above penalties and forfeits to go to the fund for improving the Course, and increasing the money added to the different stakes.

TUESDAY, April the 13th.—The Brough Stakes of 10 sov. each, with 20 sov. added by Sir W. Lawson, three yrs old, 6st. 10lb. four, 8st. 3lb. five, 8st. 9lb. six and aged, 9st. mares and geldings allowed 3lb. Five subscribers or no race; one mile and a quarter.

The Revival Stakes (handicap) of 20 sov. each, 10 ft. and only 5 if declared by the 1st of April, with 50 added; the second horse to save his stake, and the winner to pay 10 sov. towards expenses and 5gs to the Judge; the winner of any handicap value 100 sov. after the weights are declared to carry 5lb. extra; two miles. Should the highest weight accepting be under 8st. 7lb. it will be raised to that weight, and the rest in proportion.

To close and name on the 1st of March, to Messrs Weatherby, R. M. Jaques, Esq. or J. Cartwright.

Note.—The erroneous impressions which have been entertained in reference to the liability of subscribers to the forfeits in the Granby handicap and gold cup, have induced the Stewards to make it thus publicly known, that any proprietor of a horse receiving a nomination, and not striking his horse out by the expiration of the time allowed for declaring the small forfeit, becomes liable for the whole of the large forfeit, or the stake, as the case may be. For the Billesdon Coplow and other stakes in which nominations may be given, the owner of the horse must pay the whole stake if his horse starts.

Ages from the 1st of January.

All regulations at Newmarket respecting racing to be strictly adhered to at Croxton Park, unless otherwise specified in the article of the race, or in the under-written rules:—

The winner of any sweepstakes, plate, or match, to pay 5 sov. to the Racing-fund.

Five shillings entrance to be paid for each race (except the Melton plate) at the time a horse is nominated, and applications to the Stewards or Secretary for nominations must be accompanied by the like payment of 5s. or they will not be attended to. Should nominations not be given, the entrance-money will be returned. The attention of owners and trainers is particularly called to this rule, as it will not be dispensed with. The entrance-money goes to the Racing-fund.

The colours of the riders to be declared to the Secretary, in writing, on the Tuesday preceding the races, upon all stakes, &c. then closed, and upon any afterwards made, at the time of entering, or forfeit 10s. 6d. and subject to the same penalty if altered afterwards. This will be strictly enforced.

The horses to be saddled upon the Course, in front of the Stand (weather permitting, of which the Stewards will judge) upon forfeiture of one sov.

Such Gentlemen only who are Members of the Croxton Park Club be allowed to ride at this meeting, except for the Farmers' plate, to which Farmers or their Sons will be privileged as usual.

Persons requiring ground for the erection of booths or stalls are requested to make application at the Park House.

On no account will carts or waggons be allowed to enter the Park with booths, stalls, or luggage, except with broad wheels.

All disputes to be settled by the Stewards, or whom they may appoint, and such decision to be final.

Faugh-a-Ballagh stands 16 hands high; he is a beautiful rich dark brown, free from white (except a small star) with good substance, and fine racing powers, sound constitution, and fine action. He proved himself decidedly the best horse of his year, having won upwards of 7000gs when three years old. His Cesarewitch running stands unequalled, and is the best on record, having beaten horses of all ages at unprecedented weights, giving those of his year from 1st. to near 3st.

From the superior blood of Faugh-a-Ballagh, combined with fine shape, great beauty, and the superior racing qualities he possesses, he cannot fail in getting race-horses.

GORHAMBURY, 7 years old, bred by the Earl of Verulam, at 7 sov. a mare; two mares, the property of one gentleman, 10 sov. and 10s. to the groom; half-bred mares, half-price.

He ran second to Cotherstone (one of the very best horses that ever won the Derby) won the Shield at Ascot Heath, beating a large field of good horses, also at Newcastle, and Epsom, in a canter, after which he met with an accident, and being a large fine, and strong-constituted animal, could never be got fairly fit to run afterwards. He is perhaps one of the most valuable untried young stallions in the world. His qualifications for the stud are immense and rarely met with—great size, best of blood, a good runner, fine temper, very handsome, legs and feet of the very best, and best set on, which must ensure his getting the very best stock.

PETER THE HERMIT, 7 years old, bred by Lord Chesterfield, at 5 sov. a mare; two, the property of one gentleman, at 7 sov.; half-bred mares, half-price; groom 5s. each.

He was got by Gladiator, dam by Velocipede (sister to Ainderby) out of Kate, by Catton—Miss Garforth, by Walton, &c. The above are the only horses by Melbourne which have appeared in public.

Melbourne is a horse of prodigious power; this colour is a rich brown, and free from white, except a small streak down his face. He is perfectly sound, has excellent legs and feet, with the finest temper and constitution possible.

THE PRIME WARDEN; full-bred mares at 10gs, all others at 3gs each.

The Prime Warden is by Cadland (the winner of the Derby in 1828) out of Zarina, by Morisco, her dam, Ina, by Smolenako (winner of the Derby in 1813) out of Morgiana, by Coriander, &c.

The Prime Warden is a beautiful bay horse, stands 16 hands high, and has great power, with a fine temper and capital action. He has had very few thorough-bred mares, but all his stock which have been in training have shown running. He is the sire of Assay, 91, &c. &c.

The Prime Warden was the winner of several races, and breeders of full-bred and half-bred stock will find him a superior stallion.

- 1 **MULEY MOLOCH**, sire of Alice Hawthorn, the best mare of the day, and many other winners; at 20gs a mare, and one guinea to the groom. He is the well-known son of Muley, by Orville, out of Nancy (Longwaist's dam), by Dick Andrews (sire of Trump), grandam, Spitfire, by Benningborough (sire of Orville); and Muley himself was out of Eleanor (the celebrated mare that won both Derby and Oaks in 1801) by Whiskey—thus combining some of the best and most fashionable blood together.

Orville, the sire of Muley, won the St Leger in 1802, besides twenty-one other races; and Eleanor, his dam, won twenty-seven times, besides the Derby and Oaks. Muley Moloch himself only came out sixteen times, and was a winner eleven times, beating some of the best horses of the day—Belahazzar, Mussulman, Inheritor, Physician, Glaucus, Hornsea, &c. He is a remarkably fine large horse, of great substance, very lengthy, particularly deep in the girth, with shoulders nicely laid back, and he has an excellent constitution and temper. His colour is a rich dark brown, without any white, and altogether he is a horse well calculated to improve the breed of race-horses, both for speed and substance.

- 2 **LAUREL**; a very fine powerful dark brown horse, with black legs, bred by Major Yarburgh; he was got by Blacklock, out of a Prime Minister mare—her dam by Orville, out of Miss Grimstone, by Weasel, a son of Herod, out of an Eclipse mare. At 12gs thoroughbred, and 6gs half-bred, and half a guinea to the groom.

Laurel beat Matilda for the York Constitution stakes, and for the Doncaster gold cup. As a 4 years old he never was beaten, and won that year the Doncaster, Pontefract, and Beverley gold cups, besides the York Constitution stakes. He won altogether eight gold cups, and other stakes, beating all the best horses of the day; amongst others, Matilda, Longwaist, Fleur-de-lis, Medora, Mulatto, Granby, Moonshine, Nonplus, Ballad-singer, Maria Stopforth, Beasy Bedlam, Actæon, Retriever, Halston, and Mameluke.

- 3 **CALMUCK**; bred by the Duke of Grafton, in 1833, got by Zinganee, by Tramp, out of a sister to Pastille, by Rubens, dam, Parasol, by Pot80's, out of Prunella, by Highflyer. He is a fine rich bay with black legs, no white about him excepting a little on one of his hind heels; stands upwards of 16 hands high, with shoulders beautifully laid back, and fine powerful flat legs.

He was a winner at all ages, from 2 to 6 years old, and proved himself a horse, both of good speed and bottom, having won 14 times at all distances. From his blood (comprising some of the best of the day) his good bone and substance, and fine temper, he promises to get very superior stock. At 10gs for thorough-bred, and 4gs for half-bred mares; with half a guinea to the groom.

- 4 **YOUNG ISAAC**. He is a dappled grey, with short legs, of remarkably handsome symmetry, of great strength, and very superior action. Was got by that celebrated and well-known grey horse, Young Stormer, who was feloniously poisoned; his dam, a well-bred grey mare, has trotted one mile within 3 minutes; by that superior blood-horse, Isaac, grandam, Wroot's Pretender. At 4gs each mare, and 10s. 6d. to the groom.

- 5 **A BAY HORSE**, 8 years old, by Mulatto or Starch; out of Young

Petuarina, dam of Carew. He is a fine rich bay, with black legs. At 2gs. and 5s. to the groom.

Mulatto was bred by the late Earl Fitzwilliam, and was got by Catton, out of Desdemona, by Orville. Old England thus combines the best and stoutest of the north and south country blood. At two years old he won all his engagements, viz. the New stakes at Ascot Heath, the July stakes, the Steppingley, and a sweepstakes of 50 sov. each, Ab.M. at Newmarket. THE following Guide to the usual time of naming for the principal Stakes in England which appear in the Book Calendar as closed Stakes, has been compiled in consequence of the frequent inquiries which are made on the subject.

Further particulars of these Stakes, and of the Stakes still unclosed, will be found in the body of the work.

This Guide is confined to the principal annual Stakes, the time of closing which is so established by custom, as to make it improbable that it will be changed; still, however, it is right to observe that, as the time of closing and naming for every Stake is a part of the conditions of the race to be fixed by the Stewards or other parties proposing the same, and liable to be altered at their discretion, this Table cannot be regarded as a final and official announcement, nor supersede the necessity of reference to the conditions of the several races, as they are advertised in succession in the Sheet Calendar, before the time of closing.

Produce Stakes, in general, close on the 1st of January.

Horses take their ages from the 1st of January; this is especially necessary to be noticed, as regards the Stakes which close on that day.

When a Stake is advertised to close in any Newmarket Meeting, it is always understood that it remains open till the Saturday night of that week.
